

## Section 2 SOFTWARE

Type	Description / Technical data	Picture
MCS-SW-01	<p><b>Application Software – ACCESS CONTROL SYSTEM</b></p> <p>Access Control module for OS WINDOS, MSDE MS SQL Server database.</p> <p>License up to <b>50 cardholders</b>, 1 operator station                      License up to <b>100 cardholders</b>, 1 operator station                      License up to <b>200 cardholders</b>, 1 operator station                      License up to <b>500 cardholders</b>, 1 operator station                      License up to <b>1000 cardholders</b>, 1 operator station                      License <b>over 1000 cardholders</b>, 1 operator station                      License <b>for every</b> additional operator station added                      License <b>for Biometric Fingerprint Solution</b> added</p>	
MCS-SW-02	<p><b>Application Software – TIME ATTENDANCE SYSTEM</b></p> <p>Time Attendance module for OS WINDOS, MSDE MS SQL Server database.</p> <p>License up to <b>50 cardholders</b>, 1 operator station                      License up to <b>100 cardholders</b>, 1 operator station                      License up to <b>200 cardholders</b>, 1 operator station                      License up to <b>500 cardholders</b>, 1 operator station                      License up to <b>1000 cardholders</b>, 1 operator station                      License <b>over 1000 cardholders</b>, 1 operator station                      License <b>for every</b> additional operator station added</p>	
MCS-SW-03	<p><b>Application Software – INTRUSION DETECTION SYSTEM</b></p> <p>Intrusion System module with graphic diagrams &amp; voice for OS WINDOS, MSDE MS SQL Server database.</p> <p>License up to <b>4 controllers</b>, 1 operator station                      License up to <b>8 controllers</b>, 1 operator station                      License up to <b>16 controllers</b>, 1 operator station                      License up to <b>24 controllers</b>, 1 operator station                      License up to <b>32 controllers</b>, 1 operator station                      License <b>over 32 controllers</b>, 1 operator station                      License <b>for every</b> additional operator station added</p>	
MCS-SW-04	<p><b>Application Software – PARKING SYSTEM</b></p> <p>Parking System module for OS WINDOS, MSDE MS SQL Server database.</p> <p>License up to <b>50 parking places</b>, 1 operator station                      License up to <b>100 parking places</b>, 1 operator station                      License up to <b>200 parking places</b>, 1 operator station                      License up to <b>500 parking places</b>, 1 operator station                      License up to <b>1000 parking places</b>, 1 operator station                      License <b>over 1000 parking places</b>, 1 operator station                      License <b>for every</b> additional operator station added</p>	
MCS-SW-05	<p><b>Application Software – HOTEL SYSTEM</b></p> <p>Hotel System module for OS WINDOS, MSDE MS SQL Server database.</p> <p>License up to <b>50 rooms</b>, 1 operator station                      License up to <b>100 rooms</b>, 1 operator station                      License up to <b>200 rooms</b>, 1 operator station                      License up to <b>500 rooms</b>, 1 operator station                      License up to <b>1000 rooms</b>, 1 operator station                      License <b>over 1000 rooms</b>, 1 operator station                      License <b>for every</b> additional operator station added</p>
